Exemptions: None taken on the product listed in this certification.

Most exemptions to the RoHS requirements have expired as of July 21, 2019.

Only Exemption 7(C)-1. has been taken by GlobTek, Inc. on a small quantity of product.

7(c)-I Electrical and electronic components containing lead in glass or ceramic other than dielectric ceramic in capacitors: SMD Resistor, Zener Diode. This exemption has been extended by the EU until 7/21/2021 as the industry is attempting to find suitable substitutions or elimination of Lead in glass and/or ceramic which is still scientifically or technically impracticable.

<https://eur-lex.europa.eu/legal-content/EN/TXT/?qid=1573069062798&uri=CELEX:32018L0736>

GlobTek is active in attempting to find alternative components for this small group of products.

If the Product being supplied by GlobTek is one taking the 7(c)-I exemption, this certificate would note this for the customer.

Globtek follows EN IEC 63000:2018 – Technical documentation for the assessment of electrical products with respect to the restriction of hazardous substances (IEC 6300:2016) in support of compliance assessment of Directive 2011/65/EU.

GlobTek certifies that the parts marked with "RoHS" words or "RoHS Green Leaf" logo, were tested and meet or exceed all specifications of directive 2015/863-EU (ROHS-2.1 or RoHS 3) and China SJ/T 11363-2014.

This C of C does not exceed general terms and conditions of the sale unless specified below.

Thank you for your business.
